

GHG Protocol Report Summary

General information

Company Name	BMT Medical Technology s.r.o.
About Reporting Company	BMT Medical Technology s.r.o. develops, manufactures, and supplies a wide range of steam, hot-air, and chemical sterilizers, laboratory dryers and incubators, and stainless steel furniture. Their products, along with their excellent service, are already well-known to thousands of customers worldwide. Their in-house development team, which utilizes state-of-the-art CAD design systems, is not only able to respond flexibly to changes in the market, customer requirements, and device specifications, but can also efficiently implement custom modifications as needed. A modern, well-equipped, and tightly controlled manufacturing process, combined with the selection of reliable suppliers and components from around the world, ensures high quality and short lead times. The rapidly growing customer service sector is capable of meeting customer needs anytime, anywhere in the world. The certifications obtained, along with products' technical specifications and quality, enables company to successfully sell devices domestically, in Europe, Asia, Africa, South America, the European Union, the United States, and China.
Base year	2024
Reporting year	2025
Reporting period	1.1.2025 - 31.12.2025
Calculation period	April - May 2026
Report delivery date	15.5.2026
Description	BMT Medical Technology s.r.o.'s total carbon footprint for 2025 is 6,170 t CO ₂ e. The year-on-year decrease in upstream transport emissions is mainly explained by differences in the activity data and calculation inputs provided by BMT for the current reporting year. As the reported value appears low in the context of BMT's global distribution activities, additional substantiation of the transport data is recommended. Difference can be noticeable also in KPI values bottom.

Total emissions

Scope	All GHG (tCO ₂ e)	%
Scope 1	193.47	3.14 %
Scope 2	1,072.03	17.37 %
Scope 3 Upstream	4,902.88	79.46 %
Scope 3 Downstream	2.04	0.03 %
Total GHG emissions	6,170.42	100.00 %

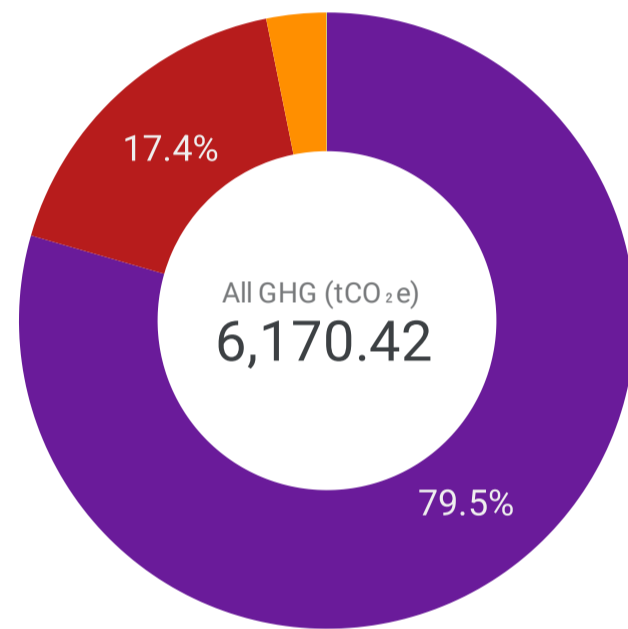

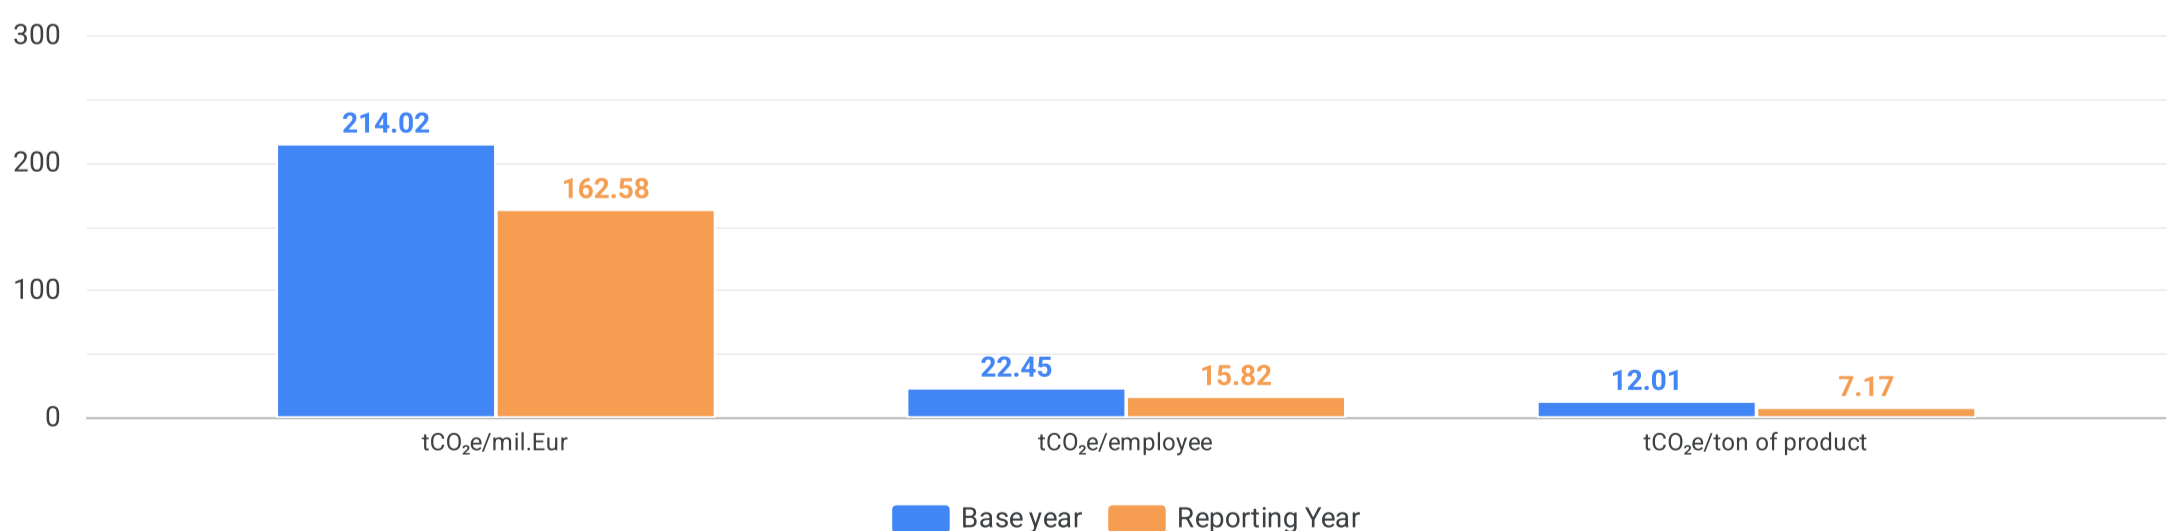

Table: KPI

	KPI	Base year	Reporting Year	Unit
1.	Turnover indicator	214.02	162.58	tCO ₂ e/mil.Eur
2.	Employee indicator	22.45	15.82	tCO ₂ e/employee
3.	Product indicator	12.01	7.17	tCO ₂ e/ton of product

TÜV NORD CERT GmbH confirms that Envitrail s.r.o. operates a management system in accordance with the requirements of ISO 9001:2015, with the scope:
Carbon footprint calculation, ESG Reporting.
Life cycle assessment of products and services – LCA.

Certificate Registration No.: 44 100 22 52 0013
 Audit Report No.: 0055/2025
